A THOROUGH TEST

One To Convince the Most Skeptical
Norway Reader.

The test of time is the test that counts. Doan's Kidney Pills have made their reputation by effective action. The following case is typical. Norway residents should be convinced. The testimony is confirmed—the proof complete. Testimony like this cannot be ignored.

Wm. O. Needham, retired farmer, Main St., Norway, says: "At different times when I have taken cold, my kidneys have become affected. Several years ago when I felt that my kidneys needed attention, I got Doan's Kidney Pills from F. P. Stone's drug store. They strengthened my kidneys, ridding my system of the excess uric acid and in a short time I felt much better."

The above statement was given July 24, 1908 and on June 6, 1916, Mr. Needham said: "I still gladly endorse Doan's Kidney Pills. My confidence in them is as strong as ever. I occasionally use Doan's when I feel in need of them and always get fine results. Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Needham had. Foster-Milburn Co., Mfrs., Buffalo, N. Y."

Interesting Case of Miss Baird Sick Four Years, Red Cross Worker Tells How She Got Well

The case of Miss G. I. Baird of 30 Glenville Avenue, Allston, Mass., may bring new hope and health to other sufferers who have stomach worms and do not know what is the matter. A letter from this sufferer tells the story: "I have been sick almost two years, had four doctors with little or no relief. Some of the doctors said I had enlarged liver, nervous indigestion, too much acid, and so on. I was so tired in the morning it seemed as though I could not get dressed and get to work. I was growing thin every day, went from 138 to 111. "I was so discouraged I didn't know what to do. One night about three weeks ago, I picked up a paper and saw your Dr. True's Elixir, Family Laxative and Worm Expeller, advertised. I made up my mind I had worms and the next day I bought a small bottle of Dr. True's Elixir and took three teaspoonfuls until I had taken the bottle.

"I was surprised at the result, pinworms, some a finger long, so much so that some that looked as though it was just the skin of worms. The day before I took Dr. True's Elixir I thought I should go wild with the crawling in my stomach, I could feel them and some days I could not all the time and some days I could not retain what I ate, while other days I couldn't keep anything on my stomach. I coughed so just the minute I went to bed some nights I would not sleep more than one or two hours. The second dose stopped the crawling and the second night I didn't cough.

"I feel like a new person, all my friends say I look so much better, but I don't need to have them tell me, for I know my feelings. I wouldn't have believed any one could feel so much better in such a short time. I tell everyone I

didn't cough.

Elixir, the Family Laxative and Worm Expeller. On sale everywhere and is sold. Recommended by many druggists who have used it in their practice.

Be a Joy-Walker,
"Gets-It" for Corns

2 Drops, 2 Seconds—Corns Is Doomed!
When you almost die with your
shoes on and corns make you almost
die sideways to get away from the
pain, take a vial of "Gets-It" for a min-
ute or two and apply 2 or 3 drops.

"My Corns Peel Clean Off With 'Gets-It'!"

of the world's magic and only genu-
ine corn-peeler, "Gets-It." Then
and then only, will you be sure that
your corn will loosen from your toe
so that you can peel it right off
taking no chances—why use greasy
talking salves, plasters that shift
and press in into the "quick" spots
and "diggers" that make corns bleed
and also grow faster? Use painless,
easy, always sure "Gets-It." There's
only one like it in the world—that's
"Gets-It." Millions have tried and
O. K'd it for years. It never fails.
"Gets-It," the guaranteed, money-
back corn-remover, the only sure
way, costs but a trifle at any drug store.
